Shout Out to **Dariana Vasquez** from Ms. Castillo-Muñiz

Dariana is always ready to help me straighten out classroom textbooks as well as collecting them to place very neatly on the shelves. To top this off, she is always assisting a student in translating words on daily assignments. Thank you Dariana for your great character and excellence.

Shout Out to **Hector Mendez** from Ms. Ochoa

Hector is always volunteering to pick up trash from the floor around his table at the pavilion. This was especially true this Thursday when we had high winds. Thank you Hector, for helping keep our pavilion clean. Your kindness is truly appreciated.

Shout Out to **Jezenia Garza** from Ms. Ortiz

Jezenia has been coming after school every day to write my daily objectives and clean my white board. Thank you Jezenia for always wanting to help.

Shout Out to **Alex Salazar and Ozzy Chavez** from Ms. Castillo-Muñiz

Alex and Ozzy from my 6th period class are always being gentlemen in picking up textbooks for classmates to make sure they are returned to the bookshelf. Thank you Alex and Ozzy for taking the time to do this decent act of kindness, it is greatly appreciated.

Shout Out to **Adan Rostro, Alessandro Perez and Eduardo Rangel** from Ms. Ochoa

These boys picked up some papers that flew out of a student's folder during lunch time in the pavilion. The student had gone to get her lunch and left her folder on top of the table but it was super windy and the papers started flying everywhere. Thank you Adan, Alessandro and Eduardo for being so cooperative, the student was very appreciative of your kind gesture.

Shout Out to **Anahi Villa** from Mr. Crane

What an honor it is to recognize 10th grader Anahi Villa for the excellent manners and great attitude she has. Before I enter the classroom at 5th period, Anahi has already retrieved the class notebooks and placed them on the students' desk. This action frees up my time to take Roll and other do other daily details. She once again collects the notebooks at the end of class and replaces them to their proper location. Thank you Anahi and I HONOR you with this Great Big Shout Out!
